

***TUF-TOP GRIPPER SKID RESISTANT SPORTS COURT COATING  
TENNIS COURT APPLICATION***

Follow preparation instructions, when complete and ready to coat follow the instructions below.

Paint in sections only, one section at a time. Apply 1 section first, allow to dry and evaluate the application technique

Use the lines as start and stop points

Use 18" 1/2" nap roller cover. Spread at the rate of 75-85 sq/ft per gallon per coat, 2 coats are required. Do not exceed the spread rate.

Apply evenly and cross roll out all roller marks and fat edges to avoid lap lines, lightly finish roll each and all sections by rolling in the same direction ( north-south or east-west ). All sections must be finish rolled in the same direction.
